**WHAT IS THE CRUCIBLE?**

In the late 1980's, players from Ridgewood started traveling throughout the region to play top level competition in and out of the traditional lacrosse season. They weren't the first, but by were by far one of the most successful in elevating the skill and play of their team. The out-of-season play inspired the first Tri-State Leagues. And farther down the road, players with a desire to be the best, led to the modern day All Star.

The Crucible is for today's all star player. They crave the competition and intensity that all star tournaments offer, and regular town leagues just can't match. The Crucible is 8 weeks of top level play and unparalleled speed in a box setting.
